GUEST SERVICES ASSUMES MANAGEMENT OF OLD POINT COMFORT MARINA IN FORT MONROE, VA

Sept. 1, 2011 -- Guest Services, Inc., a Washington, DC-based hospitality and recreation management company, has assumed management of the Old Point Comfort Marina in Fort Monroe, VA. The prior Marina operator was the U.S. Army.

Old Point Comfort Marina offers accommodations for over 300 boats of up to 50 ft. in length. Eligibility for slip rental was formerly limited to military, DoD and related personnel and appropriate dependents; with the transition to Guest Services management, all boaters are eligible for Marina services.

The Old Point Comfort Marina offers a full menu of marine services: slip rentals, a boat ramp, gas and diesel fuel, shower and laundry facilities, a restaurant and ship's store, and pump out services. Transient dockage, haul-out, an indoor wet slip, six-ton lift and marine repairs also are available.

Guest Services operates three marinas in the Washington Metropolitan area that have been Green Certified by the National Park Service, in addition to three boathouses that focus on fishing, rowing and vessel rentals.

[Guest Services, Inc.](#) is a private hospitality company dedicated to providing excellence in food, hotel, resort and recreation services. The company and its subsidiaries have approximately 3,500 employees that serve some 25 million guests annually at more than 250 facilities nationwide. The Company provides management services in a variety of markets including museums, hotels, resorts, conference centers, government & business dining, senior living, health care, campus dining, specialty retail stores and restaurants.
